

Compatible Toner

It's a Premium Solution

Compatible Toner is a fantastic way to save on your printing costs. Savings of up to 50% over the OEM brand name toner can add genuine benefits to your bottom line. And by using toner cartridges made with remanufactured parts, you also help reduce waste and help the environment. But not all compatible toner is the same...

Premium Brand Imaging Products are made to the strictest quality standards and are backed in writing:

- Our products are manufactured in ISO 9001/14001 and STMC certified factories
- Premium Brand cartridges are backed with a 100% Satisfaction Guarantee
- Premium Brand cartridges meet or exceed OEM specifications
- Our products often have increased yields over OEM cartridges
